It was not intended that this restriction should apply to Emergency Commissions. The C.C has been informed of this. It is reported that this was not specifically stated in the letter to the Residency. If appd, the applications will be returned to the Residency with the observation that the request contained in this office letter dated 29th Nov 41 refers only to the enlistment of Mysoreans, for ranks other than & below that of Emergency Commissions, as it is not considered fair to deny Mysoreans the benefit of getting Emergency Commissions in the Indian Army.

SIR,

W Adverting to correspondence ending with my letter No. C.C.28-2-107/39, dated 14th August 1940 to the Chief Secretary to Government regarding the recruitment of Mysoreans for the Indian Army, I have the honour to state that many Mysoreans have since been enlisting in the Indian Army

1. for Emergency Commissions
2. as Soldiers
3. Pensioners in various appointments.

Owing to the impending expansion of both Cavalry and Infantry Units of the State, I request that necessary instructions may be issued to Headquarters, Madras District, to stop further recruitment of Mysoreans in the Indian Army and enlistment of pensioners and Ex-soldiers.

2. I feel that the time has come when we may have to ~~asked~~ for the return of such officers as have already enlisted themselves in the Indian Army and that no more applications from Mysoreans for Indian Army Commissions be accepted without reference to me.

3. There is no doubt that Indian Army terms for officers are much more generous and I feel that an increase in the

pay for cadets both on joining and again on passing out of Officers' Training Schools is necessary.

I have the honour to be,
